east side of Eighteenth Street, near the mouth of Clay Street. This lot
fronts 34 feet 5 inches, and by reason of its proximity to the Chesapeake and

How you can own a Homesite**Buy In Brookland Terrace**Every man should own a home. It identifies him with his day and generation.
Money spent for rent is WASTED. Money paid for a home is profitably
invested.There is no reason why you should live in cramped, unhealthy quarters in
the city, and pay rent, when you can own your own home, and live in the suburbs,
with plenty of elbow room and abundance of fresh air.THE WHITE PLOTS SHOW LOTS UNSOLD

paid in monthly or weekly payments in five
years' time.In case of sickness the payments may be
